Dear Participants,

This year the Indian American Festival will be held July 26th and 27th. This year also the performances will be held in dance competition format. The competitions will be held on Saturday and Sunday with the winners announced and presented trophies Sunday evening.

The dances will be judged in the following categories: Classical, folk and film, with Junior (age 12 years and under) and Senior (age 13 years and above) brackets for each category. Each dance should be no longer than 10 mins. Performers may participate in more than one category.

In addition, each dance school can submit one dance to be judged in the "Outstanding Dance School of the Year" competition; the winner will be awarded the revolving trophy. This dance can be any style. However, it should be noted that all dances will be judged as a single category.

Please fill out the attached form for each entry for the categories listed below: Forms will also be posted in the Temple website: www.venkateswara.org.

This year also we will publish the souvenir. If you are interested in placing an advertisement in the souvenir, please contact Jogendra Suryadevera – 908-359-6870.
